Subject: Laurel Leader voter's guide

Laurel Leader voter's guide information from:

**Allen Dyer**  
Candidate  
Board of Education for Howard County

Pertinent professional background information, in 30 words or less —

**Allen Dyer is an attorney, computer consultant, and blacksmith. Dyer served as an Air Force combat pilot in Vietnam and taught computer science at Ann Arundel Community College.**

My top two or three priorities for the campaign, in 60 words or less —

**Priority 1 – Additional resources targeted at individual at-risk students. At-risk students need a place to study and a way to access teachers and computers beyond the standard school day.**

**Priority 2 – More skills training opportunities. Abstraction is fine but working with your hands is part of who we are.**

**Priority 3 – HCPSS must be accountable and transparent.**

Attached is a high-resolution mug shot (in color and black/white) in jpeg format.
